

Branson Fall 2013 Scroll Saw Schedule Info:

Thanks! to all of you that stopped by my Workshop in the Branson Mill during the months of June into July.

Our plans for late summer and into the fall are **still very flexible**. We will be coming down during that time, and we have been trying to spread this news. If any of you are interested in any future workshops or classes, please contact me.

If you let me know when you will be coming to Branson I will attempt to set up my workshop schedules to coincide with your vacation plans.

At this point I have one request for Oct. 13 – 18

I will be making up my schedule in the next few weeks so if you have definite plans and wish to be a part of one of my workshops, please e-mail me mrmsworkshop@walnutel.net or send a response on my website www.mrmsworkshop.com (please use the “Contact Us” page).

My goal is to share the skills and ‘tricks’ of scroll sawing with all of you that may be interested. Therefore, your help in getting back to me is very much appreciated.

Thanks for your response.
